Volume 38, 1999

MARINE POLLUTION BULLETIN

The International Journal for Marine Environmental Scientists, Engineers, Administrators, Politicians and Lawyers.

The MARINE POLLUTION BULLETIN sets out to cover all aspects of the environmental conditions of estuaries, seas and oceans. The journal welcomes news, comment, reviews, and research reports, not only on the threat of noxious substances to marine life but also on the productivity, processes and functions of the marine environment, and the effects of mankind (including management) on these. It publishes accounts of economic and legal as well as scientific aspects of marine pollution.

Author Service Department

For queries relating to the general submission of articles (including electronic text and artwork) and the status of accepted manuscripts, please contact the Author Service Department: E-mail: authors@elsevier.co.uk; Fax: +44 (0) 1865 843905; Tel: +44 (0) 1865 843900.

Publication information: Marine Pollution Bulletin (ISSN 0025-326X). For 1999, volumes 38 and 39 are scheduled for publication. Subscription prices are available upon request from the Publisher or from the Regional Sales Office nearest you or from this journal's website (http://www.elsevier.nl/locate/marpolbul). Further information is available on this journal and other Elsevier Science products through Elsevier's website: (http://www.elsevier.nl). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.

Periodicals postage is paid at Rahway, NJ. Marine Pollution Bulletin (ISSN 0025-326X) is published in two volumes, one with monthly issues, and the second with up to 12 special issues by Elsevier Science Ltd., The Boulevard, Langford Lane, Kidlington, Oxford OX5 1GB, UK. The US subscription price is $821.00 per year.
